## Our Playtime Charter

Children have the right to rest and play. **Article 31**

Children have the right to play with others and join groups as long as it doesn't harm anyone. **Article 15**

Children have the right to feel safe and be protected from harm. **Article 19**

| <b>We have the right to...</b>    | <b>How we can make sure others receive their rights</b>                              |
|-----------------------------------|--|
| play with friends                 | Treat others with respect and show kindness.   |
| use playground equipment          | Share our playground equipment and treat it with respect.                            |
| have a fun and happy playtime     | Include everyone in games and play safely and fairly.                                |
| feel safe in the playground       | Treat children and adults the way you would want to be treated.                      |
| be helped if we are hurt          | Tell an adult if someone is hurt.  |
| express our opinion               | Make sure that what we say does not upset or hurt anyone.                            |
| have a clean and safe environment | Put our rubbish in the bin, tidy up games/equipment and take care of our playground. |
