

# **Gourock Primary School**

## **Parent Charter**

Dear Parent /Carer

Firstly may we introduce ourselves, we are Elizabeth (P7) and Eve (P6) , the Junior Road Safety Officers (JRSO'S) at Gourock Primary School.

We are writing to remind you of The Parent Charter we have in place to try to alleviate the parking problems outside our school. We think parking, collecting and dropping children off in a selfish manner could lead to pupils in our school, including us, being dangerously hurt.

Our biggest concerns are parking in the bus bay (despite our large banner) and the continual double parking. We have been advised by the Community Police that this issue has been raised with them and they will be taking action. We wouldn't like anyone to receive a knock on their window rather than walk a few extra steps!!! So please consider backing our Charter and put your child and all other pupils' safety before what is easiest for you

For those of you who are new to the school and those who haven't already participated, we attach a copy of the Charter. If you agree with what we are suggesting, and we hope you do, please sign the bottom section and return it to the school.

If you need additional copies for grandparents etc. please request them from your child's class teacher and we will get them to you.

Once you have "signed up" we will give you a "Child Friendly Driver Sticker" to attach to your windscreen.

We thank you for taking the time to read this and hope that you will help us in this very important matter.

Yours faithfully

Elizabeth and Eve  
(JRSO'S)
