

Our Eco Code

**In Gourock we are healthy
Eco-Friendly in every way
We watch the birds and animals
Encouraging them to stay**

**We care about our beaches
Litter pickers are about
And as we leave the classroom
We all check the lights are out**

**We wash our plastic pots each day
Recycling them is cool
We know our carbon footprint
And walk or cycle to school**

**We are all Eco Warriors
We follow all the rules
Because we care about our world
In Gourock Primary School**
